And Inwood stands ready to welcome a new school building to elp out Public School 52.

WASHINGTON HRIGHTS, August 10,

PARENT.

Legal Ability of a Druggist's Clerk. TO THE SUN AND NEW YORK HERALD : One of the most remarkable lawsuits in

Lord Justice Atkins, who heard the

But there has been no rest for the physician, alleging that by their carelessness he was wrongfully imprisoned in Colney Hatch Asylum as a lunatic. The case, which occupied four days, was originally tried last February before the originally tried last February before the May 1, 1920.

Under the terms of the Esch-Cummins Under the terms of the Esch-Cummins Chief Justice, on purely legal grounds, entered judgment for the defendants. At this trial the plaintiff, although without legal training or experience, acted as his Washington. own counsel, astonishing the court and skill and general ability.

On an appeal from the decision of Lord Reading the young suitor next appeared unassisted by counsel in the Court of Appeal before Lord Justices that express employees, as a class, were Banker, Scrutton and Atkins. Again he not so well paid as men in other lines of argued his own case, the Lord Justices railroad work. patiently listening to his brilliant argument for two full court days. As indicating the impression and exceptional argument made upon the Appeal Court quote from the opinion of Lord Justice Atkins, who thought the appeal should be allowed:

The plaintiff argued his case in person before us with great force, complete self-possession and much lucidity. He appeared to appreciate the legal points, and cited a number of cases to us, distin-guishing those that might be contended to be against him, and emphasizing those which appeared to be in his favor. I do not say that all his points were made with equal Judgment, but taking his perform ance as a whole it impressed me as one of the most remarkable efforts of a litigant in person that I have ever wit-

I gather from the shorthand notes of the evidence and from a reference in the summing up of the Lord Chief Justice that he conducted himself similarly before the jury. If so one cannot wonder that the defendant's counsel did not contend that the plaintiff was then insane.

By a majority vote the Court of Ap included in the recent wage award and peal sustained the judgment of the Lord sion: is now receiving an average of a frac- Chief Justice, but the Committee on Aption over 19 cents an hour. After peal of the House of Lords, has become

THE SUN was founded by Ben Day in 1833; THE NEW YORK HERALD was founded by James Gordon Bennett in 1835. THE SUN passed into the control of Charles A. Dana in 1868. It became the property of Frank A. Munsey in 1916. THE NEW YORK HERALD remained the sole property of its founder until his death in 1872, when his son ning James Gordon Bennett, succeeded to the ownership of the paper, which continued in his hands until his death in 151x. THE HERALD became the property of Frank A. Munsey in 1920.

Its Establishment by Universities Is Advocated.

Tononto, Aug. 10 .- Suggestion that English speaking universities throughout the world cooperate in establishment of an "English institute" to set a standard for the written and spoken language and do for it what the French Academy has done for French, was War Collage, Newport, R. I., has been made here to-day by Robert Donaid, appointed commandant of the Seventh chairman of the French was chairman of the Empire Press Union ference

While 200,000,000 persons now using English take what liberties they like in coining new words and expressithere is no standard and no authority to watch over its growth and maintain its purity, Mr. Donald said. The French established with similar functions the

language will "get out of hand." Such an institute, he asserted, should have headquarters in London and Washwhere English is spoken.

## Eric Would Extend Bonds.
